

Fall 2015 Mayor's Report

How quickly the summer has passed. I appreciate everyone that attended the 2015 Smallville SuperFest. I also thank the great group of folks that volunteered for this wonderful event. Without volunteers this event is not possible. I am looking forward to Oktoberfest, September 25, 26 & 27; everyone is welcome to join in the fun.

Please shop locally at our great stores in Plano. The dollars that you spend in our City help pay for our Police, Streets and other City Services.

On Oct. 7th and 8th I, Alderman Rennels and Alderman Mulliner will be attending the International Council of Shopping Centers Chicago Dealmakers Conference at Navy Pier. This conference is a great opportunity to meet with retail store representatives and brokers to promote the City of Plano. We will continue to aggressively market the City of Plano to both commercial and industrial companies. We have several areas in the City that we would like to see developed with retail and commercial users.

Thank You, Mayor Bob Hausler
