

Spring 2016 Mayor's Report

The planning for the "Smallville SuperFest" is going well. Many family orientated events are planned and I ask anyone that would like to volunteer to help in the events to contact the website WWW.SmallvilleSuperFest.com or call City Hall. The festival will be held Aug. 19, 20 & 21.

We will continue to aggressively market the City of Plano to both commercial and industrial companies. We welcome the new residents and businesses to the City. The new businesses include: Casey's on the corner of Ben St. and Rt 34, Elferno, 410 E South St., Bien Chido Mexican Grill, 10 N Center Ave. and Lyle's Automotive, 118 E. South St.

Thank You, Mayor Bob Hausler
